

City of Demoville

Leaf Machine Notice

The Demoville Street & Road Department begins annual loose leaf collection in mid-to-late October and continues through December 31st.

Loose leaves should be placed curbside (not bagged) and free of sticks, stones, or other debris. Crews operate Monday through Friday with no fixed route. To ensure your leaves are picked up in a timely manner, please rake them to the curb as early as possible.

Bagged leaves may be collected by Bluegrass Waste as part of regular garbage service, with a limit of 10 bags per week.
