

## **City of Demoville**

### **Limb Chipper Notice**

The Demoville Street & Road Department provides limb chipping service for residents throughout the year.

Limbs should be between 1" and 4" in diameter and stacked neatly at the curb with cut ends facing the same direction. Do not bundle limbs or include root balls, vines, yard waste, or construction debris.

Chipper trucks operate on a rotating city-wide route. For large quantities, please call ahead to schedule a special pickup.

For questions, contact: (859) 555-2276 or [mcarter@demovilleky.gov](mailto:mcarter@demovilleky.gov)
