

City of Demoville

Wastewater Impact Fee Quick Sheet - 2025

Effective Date: January 1, 2025

What Are Impact Fees?

Impact fees are one-time charges assessed to new developments to help fund the expansion of Demoville's wastewater infrastructure.

Who Must Pay?

- All new residential and commercial developments connecting to the City's sewer system.

When Are Fees Collected?

- At the time of application for a building permit or utility service connection.

Fee Application:

- Fees help fund capacity improvements, treatment plant expansions, and major collection system upgrades.

For detailed rate tables and examples, please see the full Impact Fee Program Manual.
